## ***PREFACE***

The “Women’s Studies Resources Series” is an attempt to highlight the various aspect of our specialized library collection relating to women and development studies. The documents available in the library are in the forms of books and monographs, reports, reprints, conferences Papers/ proceedings, journals/ newsletters and newspaper clippings.

The present bibliography on "**Women-Empowerment**" especially focuses on women’s political, social or economic aspects. It covers the documents which have empowerment in the title. To highlight these aspects, terms have been categorically given in the Subject Keywords Index.

The bibliography covers the documents upto **2014** and contains a total of **1541** entries. It is divided into two parts. The first part contains **800** entries from books, analytics (chapters from the edited books), reports and institutional papers while second part contains over **741** entries from periodicals and newspapers articles. The list of periodicals both Indian and foreign is given as Appendix I.

The entries are arranged alphabetically under personal author, corporate body and title as the case may be. For easy and quick retrieval three indexes viz. Author Index containing personal and institutional names, Subject Keywords Index and Geographical Area Index have been provided at the end.

We would like to acknowledge the support of our colleagues at Library. We hope this effort will be helpful to those working and interested in the area of Women Development and Empowerment.
